

STAIRCARE FRP

FOR INDUSTRIAL ENVIRONMENTS

Tailor made FRP solutions
for a large range of
industries since 2004

STAIRCAREFRP
COMPOSITE DESIGN & FABRICATION

■ Staircare FRP for Industrial Environments

SC-R components including FRP grating, structural shapes, stair treads and hand-rails combine to an FRP system that offers safe and versatile access and protection to many industrial applications. A silicon carbide anti slip grit is incorporated in grated or solid plate walkways offering class P5 slip protection, SC-R handrails have been tested and comply with AS1657 – 2018.
